Office:	Hoag Neurosciences Institute 3900 West Coast Highway, Suite 330 Newport Beach, California 92663 (949) 278-1854
Website:	www.drjerryweichman.com
Overview:	“Dr. Jerry”, as his teen patients and their parents call him, is a licensed clinical psychologist providing applicable, highly effective tools for teen problems and teaching teens and parents step-by-step how to use them. He is a bridge between contemporary adolescent lingo, concepts and technology and clinical knowledge, reconnecting parents and adolescents. His personal experiences and approachable manner resonates with teens to help them become self-reliant in our complex age and with parents to help them understand teen issues.
Sampling of Teen Issues	Violence, Cyberbullies, Substance Abuse, Sexting, Depression, Academic Performance, Parental Expectations, Sex, Eating Disorders, Body-image Issues, Stress Related Disorders, Relationships, Behavior Problems, Social Dramas etc.
Sampling of Experience	Served as Clinical Director of a teen treatment facility. Lecturer, University of Southern California, Dept. of Psychology. Lecturer Family Violence Project, California Youth Authority, National Council on Alcoholism & Drug Dependence, Leadership Institute for Teens, California League of Middle Schools and high schools in several states. On staff at Hoag Hospital. Media appearances on local and national broadcast outlets.
